## 2 Minors

Subscribe to 30 credit units from 1 minor from the following list.

The student decides based on the demands of their curriculum which other credits they take in the second or third standard learning path.

Departure from this restricted choice of minors will only be allowed as a rare exception when, following a thoroughly motivated request in writing, a positive advice has been given by the Chairman of the Curriculum Committee.

Students are solely responsible for their selection, should at all times consult the course details, and, in case of doubt, only consult the lecturer-in-charge, esp. about taking (same semester) courses of which one is said to be prerequisite of the other. The Faculty's Course of Study Counseling will turn down any request (for appointment) concerning the sequential taking of courses and/or prerequisites.

References: \* = mandatory courses, k = courses to elect

Students who have followed the Minor in Education, can enter directly into the educational master's programme.
