

# Study Programme

Academic year 2023-2024

## Faculty of Bioscience Engineering

Bachelor of Science in Bioindustrial Sciences

Campus: Courtray

Language of instruction: Dutch

## Programme version 7

### Teaching

When a course is not taught (solely) in the programme's language of instruction, the effectively used languages are indicated in square brackets following the cours name, using the following ISO codes:

| bg: Bulgarian | de: German  | es: Spanish | ja: Japanese  | pl: Polish     | sh: Kroatian/Serbian | zh: Chinese |
|---------------|-------------|-------------|---------------|----------------|----------------------|-------------|
| cs: Czech     | el: Greek   | fr: French  | nl: Dutch     | pt: Portuguese | sl: Slovene          |             |
| da: Danish    | en: English | it: Italian | no: Norwegian | ru: Russian    | sv: Swedish          |             |

#### Semester

Semesters are indicated by their number (1 or 2); semester 3 represents the summer period and J indicates a course spanning semesters 1 and 2. When a capital letter precedes a semester number, the course has multiple offerings. The letter indicates the offering concerned. When a semester is shown in brackets, the course in not offered this year in the specific offering. The offering frequency and first year of offering are indicated by the following codes:

| a: bi-annually  | c: annually, from 2024-2025     | f: annually, from 2025-2026     | i: annually, from 2026-2027     |
|-----------------|---------------------------------|---------------------------------|---------------------------------|
| b: tri-annually | d: bi-annually, from 2024-2025  | g: bi-annually, from 2025-2026  | j: bi-annually, from 2026-2027  |
|                 | e: tri-annually, from 2024-2025 | h: tri-annually, from 2025-2026 | k: tri-annually, from 2026-2027 |
