# Teaching languages

English

#### Keywords

academic English, language acquisition, communication skills, vocabulary, grammar

#### Position of the course

This course aims to strengthen students' proficiency in English in an academic context. It offers an introduction into a number of essential academic communicative skills and it aims to expand their knowledge of grammar and vocabulary. There is also a unit on 'applying for a job'.

# Contents

The following three skills are central within an academic context:

- writing
- reading
- speaking

Also: structure, style, vocabulary (situate in discipline, research questions, results, discussion and conclusions), grammar, formulating research questions, citing, paraphrasing and plagiarism.

Students learn to use resources for academic English.

There is also a unit on 'applying for a job'.

# Initial competences

The students' level of English should correspond to that of the final objectives for pupils at the end of secondary school in Flanders (CEF: B1).

(Approved) 1

#### Final competences
