### Teaching languages

Swedish

### Keywords

Swedish literature, poetry, literary history, text analysis

### Position of the course

In Swedish Literature: Introduction to Story Analysis and Prose, students engage in text-oriented analysis of prose texts; in Swedish Literature: Literary History and Prose, students deepen their knowledge of literary historical developments. This advanced course combines the literary-historical and text-oriented dimensions with specific attention to poetry as genre.

### Contents

Through active reading, analysis and discussion of representative poetry collections/poems, this course offers a concise historical overview of the most important developments in Swedish poetry history from Bellman to the present day and introduces students to poetry as a specific (?) language act.

### Initial competences

To have successfully completed the courses Swedish literature/ Literary History & Prose or to have acquired the necessary skills by other means.

### Final competences

- 1 To have acquired a deepened knowledge of Swedish literary history, especially with regard to poetry as genre.
- 2 To have gained deepened insight in text-oriented analysis of poetry.
- 3 To adequately apply literary historical knowledge when analysing poetry.
- 4 To adequately confront own insights with insights from literary studies when analysing poetry.
- 5 To be able to give an oral presentation of a textual analysis and to participate in a discussion on it.
- 6 To be able to write a textual analysis in good and coherent Swedish (C1), without

using GAI tools in text production and/or editing.
