Students can study abroad in semester 1 or 2.

* semester 1 (package of courses: at least 27 ECTS): the student takes a study period abroad to replace the courses of the chosen main subject of the first semester; the courses taken abroad must match the student's main subject.

* semester 2 (package of courses: at least 18 ECTS): the student takes a study period abroad to replace the course 'Strategic Management' and to replace the internship (of the chosen main subject) in the second semester; the courses taken abroad must match the student's main subject for a minimum of 6 ECTS; since the student takes the master's dissertation as a full year course (with a supervisor at UGent), the student is expected to complete it, even though the student is studying abroad during the 2nd semester.
