Position of the course

This advanced course helps students to write their BA-thesis in the 3rd year.

Contents

The course helps students to choose an apt topic for their thesis, to formulate research questions, to engage independently into research on literary subjects and to report about it. In addition, specific research themes are elaborated in the context of the individual BA-theses. At several points during the term, the students present their research (both orally and in writing) and get feedback from the teachers and their fellow students.

Initial competences

To have successfully completed the courses Zweedse letterkunde I, II & III and Zweedse Taalvaardigheid II or to have acquired the necessary skills by other means.

Final competences

- 1 To be familiar with the most important (electronic) data bases re. literary criticism
- 2 To be able to discuss critical texts in fluent Swedish (C1)
- 3 To be able to apply methods of literary analysis
- 4 To be able to present (orally) in fluent Swedish (C1) one's own research results
- 5 To be able to criticise (orally) in fluent Swedish (C1) the research results of fellow students
