Teaching languages

French, Dutch

Keywords

Cognate languages, sound laws, analogy, culture and home country of the speakers of Proto-Indo-European.

Position of the course

This course aims at making the students be aware of the network of relations between the Indo-European languages, and understand the methodology of comparative linguistics.

This course will be online. Interested students should contact leonid.kulikov@ugent.be

Contents

History of the problems treated and the answers proposed by Historical and Comparative Indo-European linguistics. Its genesis is explained within the general historical context. The network of correspondences, in the several domains of language, between the Indo-European linguistic groups (branches), is studied, with special emphasis on the classical languages, Old Indic, Germanic, Romance and Slavic. An overview of the external history of Proto-Indo-European based on linguistic and archaeological evidence. An overview of the Indo-European mythologies; reconstruction of the Proto-Indo-European mythology and cosmogony. The mythological pantheon and the main gods, Dumézil and his theory of the three functions.

Initial competences

Basic knowledge of linguistics and linguistic concepts.

Final competences

The students understand the methodology of comparative linguistics, and know the fundamental facts about the network of relations between the Indo-European languages and mythologies.
