Keywords

Society, topical matters, Japan

Position of the course

This advanced course helps students understand the social and institutional structures of modern Japan. The course introduces students to aspects of modern Japanese society and the relevance of pre-modern structures for modern Japanese society. The course teaches students how to read, understand and use general literature on Japanese society. The students are expected to work independently and give a presentation in group on a topic that they have chosen.

Contents

The course offers a general overview on social structures of modern Japan. By discussing aspects of modern Japanese society the meaning of pre-modern structures in modern Japan will be analysed. Relevant literature in the field of social studies will be introduced and discussed.

Initial competences

To have successfully completed the course A002930 History of Japan or to have acquired the necessary skills by other means.

Final competences

- 1 To have broad knowledge of pre-modern and modern structures of Japanese society.
- 2 To understand the factors and mechanisms that form the basis of social development in pre-modern and modern Japan.
- 3 To understand the aspects of modern Japanese society and the relevance of pre-modern structures for modern Japanese society.
- 4 To be able to read, understand and use general literature on Japanese society.

Conditions for credit contract

Access to this course unit via a credit contract is unrestricted: the student takes into consideration the conditions mentioned in 'Starting Competences'

Conditions for exam contract

Access to this course unit via an exam contract is unrestricted

end-of-term and continuous assessment

Examination methods in case of periodic assessment during the first examination period

Written assessment

Examination methods in case of periodic assessment during the second examination period

Written assessment

Examination methods in case of permanent assessment

Oral assessment, Assignment

Possibilities of retake in case of permanent assessment

examination during the second examination period is possible in modified form

Extra information on the examination methods

Assessment form

A written exam (60%) with open questions evaluates to what extent the student understands the general structure of Japanese society. It will also be evaluated to what extent the student can analyse and explain social phenomena in modern Japan. Students have to pass the written exam in order to pass the course.

Students have to give a presentation (40%) in front of class.

Calculation of the examination mark

Periodical: exam (60%)

Non periodical: presentation (40%)

The student needs to succeed in both parts of the evaluation in order to pass.

Facilities for Working Students

1. Possible exemption from educational activities requiring student attendance.
 2. Possible rescheduling of the examination to a different time in the same academic year
 3. Alternative time for feedback is possible
