Teaching languages

Dutch

Keywords

Provincial-Roman, archaeology

Position of the course

As part of the series Domain-specific knowledge courses, this advanced course builds on the knowledge gathered in the first year (Archaeology of the Historical Periodes). In this case, the subject provides insight into the provincial Roman archaeology of mainly NW Europe.

Contents

Detailed archeological overview of the Roman period in the northern Provinces. In addition attention will be paid to some specific research themes such as settlement patterns and structures, funeral practices, religion and ideology, social-political and economic problems, material culture and problems related to transitional phases (e.g. Late Iron Age tot Early Roman Period, Late Roman Period to Early Medieval Times).

Initial competences

- To have successfully completed the course Archaeology of Historical Periods or to have acquired the necessary skills by other means.

Final competences

- 1 To have a general understanding of the processes of the Roman period in North Western Europe.
- 2 To have a detailed view of the archaeological settelement and burial features during the Roman Period in NW-Europe and more specific in the Low Countries
- 3 The have a good understanding of the socio-economic and ritual processes during the Roman period in NW-Eruopa and more specific in the Low Countries.
- 4 To be able to reflect critically on the context and development during the Roman period in North Western Europe.
- 5 To recognise the importance of the Romans in our regioin.
- 6 To be able to evaluate the result of archaeological research on the Roman period and to situate it in the right context.

Conditions for credit contract

Access to this course unit via a credit contract is determined after successful competences assessment

Conditions for exam contract

Access to this course unit via an exam contract is unrestricted

Teaching methods

Excursion, Lecture, Independent work

Extra information on the teaching methods

- Lectures
- Independent work: a package of literature (articles)
- Excursion: possibly a visit to a relevant exhibition or site with explanation by a (regional) specialist. Students are asked to make a modest contribution toward the costs.

Recordings of lectures are not provided as a standard, and the availability of up-to-date recordings that fully correspond to the taught material cannot be guaranteed.

Active attendance in class is therefore strongly encouraged.

This course unit assumes responsible use of generative artificial intelligence (GAI).

Unpublished data, including course material, should never be entered into GAI tools

Study material

Type: Slides

Name: Handouts in the form of powerpoint-slides linked to the lectures

Indicative price: Free or paid by faculty

Optional: no

Language : Dutch

Available on Ufora : Yes

Available in the Library : No

Available through Student Association : No

Type: Other

Name: Additional literature on recent discoveries or current topics

Indicative price: Free or paid by faculty

Optional: yes

Assessment moments

end-of-term assessment

Examination methods in case of periodic assessment during the first examination period

Written assessment

Examination methods in case of periodic assessment during the second examination period

Written assessment

Examination methods in case of permanent assessment

Possibilities of retake in case of permanent assessment

not applicable

Extra information on the examination methods

The written assessment features general survey questions and more detailed questions, in which insight is more important than encyclopaedic knowledge.

Calculation of the examination mark

Periodical (100%)

Facilities for Working Students

To be discussed with the teacher

Class attendance

- Class attendance is recommended to successfully complete the course

Online facilities

- Lectures will not be recorded but sufficient online learning material will be

provided

Catch-up exam

- It is possible to take the exam at a different time within the regular exam period

Feedback

- Possibility to receive feedback at another time: by appointment
