Assessment moments

end-of-term and continuous assessment

Examination methods in case of periodic assessment during the first examination period

Written assessment

Examination methods in case of periodic assessment during the second examination period

Written assessment

Examination methods in case of permanent assessment

Participation

Possibilities of retake in case of permanent assessment

examination during the second examination period is not possible

Calculation of the examination mark

30% non-periodical

70% periodical

A second exam is not possible for the permanent assessment: in the resit examination period the same mark applies that was obtained in the first examination period.

The end-of-term assessment can be redone.

If a student does not participate in the assessment of one component (non-periodical or periodical), passing the course unit as a whole is not possible. If the total score does turn out to be a mark of 10 or more out of twenty, this is reduced to the highest fail mark (9/20).
