**Keywords**

Interior design history and theory, Design history, History of decorative/applied arts, Furniture history

**Position of the course**

This bachelor course wants to provide a basic knowledge and insight into the history and theory of the interior and design in western Europe.

**Contents**

The course provides an overview of the history of interior design and design/applied arts in Western Europe from the Middle Ages to the present day. The course prioritises an integral approach, focusing on spatial layout, utilities, floor and wall coverings, furniture, decorative and utilitarian objects. The emphasis is on the domestic interior and the period after c. 1750. It covers aspects such as lifestyles, design, function and significance of the interior and the applied arts. Theoretical and methodological aspects as well as the history and topicality of the field are also discussed.

**Initial competences**

- Basic knowledge of the history of the fine arts and architecture
- Passive knowledge of French, English and German

**Final competences**

- 1 To have a basic knowledge and insight into the history and theory of interiors and design/ crafts.
- 2 To have a basic knowledge and insight into the history and actual relevance of the discipline of interior and design history, and its methods.
- 3 To be able to recognize and situate the main historical styles.
- 4 Develop attention and sensitivity to this matter and the associated issues of heritage and sustainability.

**Conditions for credit contract**

Access to this course unit via a credit contract is unrestricted: the student takes into consideration the conditions mentioned in 'Starting Competences'

**Conditions for exam contract**

Access to this course unit via an exam contract is unrestricted

**Teaching methods**

Excursion, Lecture

### Extra information on the teaching methods
