Position of the course

This basic subject aims to repeat and deepen the main grammatical rules and expand vocabulary, with the aim of updating basic active written competences already acquired and improving oral language skills. Exchange students may take up this course unit. No knowledge of Dutch is required for this course unit; however, an alternative examination is provided for exchange students.

Contents

This course unit covers the following topics:

- grammar exercises (inflection of the noun and adjective, use of the determiners and pronouns, conjugations in all modes and tenses, use of 'participe présent' and 'adjectif verbal', all rules of agreement (adjective, personal form and past participle)
- vocabulary development (theatically organised: everyday life, society, etc.)
- writing exercises (summaries)
- oral language skills exercises, especially in prepared contexts
- spelling

Initial competences

Final competences

- 1 To have a good knowledge of the spelling.
- 2 Apply grammatical rules (regarding inflections, conjugations, contractions and use of determiners and pronouns) correctly.
- 3 To be able to speak correctly using a refined vocabulary.
- 4 To be able to use accurate reformulation techniques.
- 5 To be able to summarize texts without any aids.
- 6 Be able to express themselves fluently and correctly orally on familiar topics.
- 7 Applying the knowledge of French in new configurations.

Evaluation moment

- Period-based (70%): written evaluation

The use of any generative AI system in written evaluation is explicitly prohibited and may give rise to examination disciplinary proceedings.

- Non-periodic (30%): skills test, (oral) presentation, assignment

> Participation in all modules is compulsory for passing.

> Participation in every lesson of the oral proficiency component is necessary to pass. If the student does not pass the non-period evaluation, a second chance is offered through a compensatory activity in the second examination period.

Evaluation form

- Written evaluation: exercises on grammar, vocabulary, spelling and writing a summary.

- Skill test: exercises on grammar, vocabulary.

- (Oral) presentation: evaluation of the group presentation and the individual presentation.

- Assignment (portfolio): process evaluation of the learning process (including the oral midterm and the portfolio file).

Calculation of the examination mark

- On evading any of the evaluation forms, one can no longer pass. If the mark would nevertheless be 10 or more out of 20, it will be reduced to the highest non-debatable mark (7/20).

- See under Explanation of evaluation forms > Evaluation moment

Facilities for Working Students

1. Possible exemption from educational activities requiring student attendance, a task is imposed in substitution;

2. Possible oral examination on a different time in the same examination period

3. Feedback can be given by email or during an appointment during office hours
