Teaching languages

Spanish, Dutch

Keywords

Listening comprehension, speaking (production and interaction), language practice, Hispanophone culture, vocabulary

Position of the course

In this course unit, students develop the necessary communicative and intercultural strategies to communicate with native speakers from different parts of the Spanish-speaking world. The main focus is on oral skills (both comprehension and production).

Contents

Language mastery

- development of receptive and productive vocabulary knowledge;
- listening comprehension of different Spanish accents;
- fluency in oral interaction and production.

Intercultural communication

- Learning to recognise and deal with cultural differences;
- Practise listening and interrogating what others say and do in an intercultural context;
- Pragmatic differences between Spanish and Dutch, and between varieties of Spanish (e.g. using politeness theory);
- Dimensions of (inter)cultural intelligence.

Initial competences

The final objectives of the different Spanish units of study of the first bachelor year.

Final competences

- 1 Having a command of Spanish at B2 level of the Common European Framework of Reference for Languages for comprehension (listening) and oral skills (production and interaction) [B.1.2, assessed]
- 2 Consulting information regarding the Hispanophone countries, evaluating and interpreting this information in order to prepare a debate or listening activities thereby critically reflecting on their own thinking, learning, decisions and actions [B.3.3, assessed]
- 3 Displaying intellectual curiosity, particularly with regard to the Hispanophone culture [B.3.4, not assessed]
- 4 Taking joint responsibility and being a team player [B.4.1, not assessed]
- 5 Based on acquired competences, acting correctly in different communicative situations, in particular when debating (argumentation for and against), formulating an opinion and presenting arguments, describing expectations and ambitions [B.5.2, not assessed]
- 6 Adequately interpreting, analysing, assessing and correcting written and oral communication [B.6.1, assessed]
- 7 Expressing oneself orally and in written communication, in particular with regard to information related to the Hispanophone countries [B.6.3, assessed]
- 8 Having knowledge of relevant dictionaries, reference works and electronic aids to language acquisition, using them adequately and efficiently and critically evaluating them [B.6.5, not assessed]
- 9 Assessing the usefulness of computer-assisted language learning applications and using them adequately. [B.6.6, not assessed]
