Preparatory Course Master of Arts in Translation: a combination of at least two languages	3	A

**Teaching languages**

Spanish, Dutch

**Keywords**

Interlingual translation Spanish-Dutch, electronic tools, translation technology tools

**Position of the course**

This unit aims at consolidating and enhancing the insights, knowledge and competences that the students acquired in the first two years of the bachelor. It relates to "Applied Linguistics 2", "Dutch: Translation from Foreign Language" and "Writing into Dutch".

Students translate authentic texts, namely economic texts. They learn to use specific heuristic methods and apply their knowledge of translation technology tools. Moreover, the translation exercises aim to enrich the general economic vocabulary and gain insight into complex syntactic structures.

**Contents**

The students practice:

- interlingual translation from Spanish into Dutch of economic texts
- intralingual translation (text revision)

The students also learn to use the heuristic and translation technology tools in a critical way.

**Initial competences**

The final objectives of the different Spanish and Dutch units of study of the second bachelor year.

**Final competences**

- 1 Having a command of Dutch at professional native speaker level in terms of

comprehension and writing skills and of Spanish at a C1 level of the Common European Framework of Reference for Languages in terms of reading and comprehension [B.1.2; assessed]

- 2 Recognising and independently interpreting language structures and language variation of the studied languages, with close attention for contrastive aspects compared to Dutch [B.1.3; assessed]
- 3 Recognising and interpreting differences in register, text genres and pragmatic features in Spanish texts [B.1.6; assessed]
- 4 Having knowledge and insight of the contextual factors that influence the translation process (commissionaire, medium, ...) [B.1.6; assessed]
- 5 Adequate translation of Spanish text fragments into Dutch based on an excellent knowledge of grammar, vocabulary, and with specific attention to translation aspects (lexical, grammatical, stylistic,...) [B.6.4; assessed]
- 6 Having knowledge of heuristic methods (dictionaries, electronic aids, ...) using them adequately and critically evaluating them [B.6.5; not assessed]
- 7 Assessing the usefulness of translation technology tools and use them appropriately [B.6.6; not assessed]

#### **Conditions for credit contract**

Access to this course unit via a credit contract is determined after successful competences assessment

#### **Conditions for exam contract**

This course unit cannot be taken via an exam contract

#### **Teaching methods**

Seminar

#### **Extra information on the teaching methods**

The texts are:

- delivered through the electronic learning environment
- introduced in the seminars and individually finished at home

Different translations of the students are discussed in the seminars.

The students can be asked to bring their own laptop to the classroom.

#### **Study material**

Type: Slides

Name: Slides

Indicative price: Free or paid by faculty

Optional: no

Available on Ufora : Yes

#### **References**

see course material

#### **Course content-related study coaching**

Feedback during the lectures.

Students can contact the teacher by email and/or by appointment.

#### **Assessment moments**

end-of-term assessment

#### **Examination methods in case of periodic assessment during the first examination period**

Written assessment

#### **Examination methods in case of periodic assessment during the second examination period**

Written assessment

#### **Examination methods in case of permanent assessment**

#### **Possibilities of retake in case of permanent assessment**

not applicable

#### **Extra information on the examination methods**

Written assessment (100%):

- translation and/or revision exercises based on the economic vocabulary knowledge acquired during the lectures (without aids)
- translation and/or revision of some text passages similar to the studied texts (using relevant resources; the use of any generative AI system or automatic

translation system during the examination is explicitly prohibited and may give rise to examination disciplinary proceedings)

Second session: idem

**Calculation of the examination mark**

written assessment - 100%

**Facilities for Working Students**

Facilities

- 1 Possible exemption from class attendance.
- 2 Possible re-scheduling of the examination to a different time within the regular examination period.
- 3 Feedback can be given by appointment.
