### Teaching languages

Turkish, Dutch

### Keywords

Turkish; Language proficiency

### Position of the course

The course unit "Turkish: language proficiency III" follows on from "Turkish: language proficiency II" and has the following objectives:

- further expanding the basic vocabulary to approximately 2000 words;
- learning to apply more complex grammatical rules in practice;
- further improving speaking and listening skills;
- further improving writing and reading skills.

### Contents

In each lecture of the course unit "Turkish: language proficiency III" a new theme or a new speaking situation is discussed and the students are taught the necessary vocabulary and grammar. This is done on the basis of culturally relevant dialogues. In addition to exercises that combine the lexical and/or grammatical aspect with the communicative, short composition exercises are also made.

### Initial competences

The final objectives of the various Turkish study units of the first bachelor year.
