Keywords

Spanish; Reading skills; Writing skills; Vocabulary; General knowledge about Spain

Position of the course

The objectives of this course unit are:

- to develop the four skills, with special attention for reading and writing skills, to A2 of the Common European Framework of Reference (CEFR);
- to build a both passive and active basic vocabulary;
- to enhance the students' general knowledge about Spain.

Contents

The student learns to communicate about basic subjects and to develop the listening skill by means of exercises about general subjects. He/ she learns as well to read and understand simple Spanish texts (different types of text) on general topics. Attention is paid to pronunciation and spelling. Writing skills are developed in guided writing tasks on the same topics.

Vocabulary: Vocabulary acquisition takes place by means of a glossary.

General culture of Spain: By means of Ufora a reader (six episodes) is available with up to current information about Spain.

Initial competences

Average general knowledge that can be expected from someone who has completed secondary education; no specific starting competences required.

Final competences
