Position of the course

Because no prior knowledge of Turkish is required, the course "Turkish: Language Practice A" (TIPA) is for most students an introduction to the Turkish language.

The course has the following objectives:

- building a basic vocabulary of about 1000 words;
- learning to apply the basic grammatical and phonetic rules;
- acquiring basic speaking and listening skills;
- acquiring basic writing and reading skills.

Contents

During each session of "Turkish: Language Practice A" (TIPA) a new theme or a new speaking situation is presented and the students are given the relevant vocabulary and grammar. This is based on culturally relevant dialogues. Besides exercises which combine the lexical and/or grammatical aspect with the communicative aspect, also short compositions are written.

Initial competences

Average general knowledge that can be expected from someone who has completed secondary education; no specific starting competences required.

Final competences

- 1 Having a command of Turkish at A1+ level of the Common European Framework of Reference for Languages for comprehension (listening and reading), oral skills (production and interaction) and writing skills, provided that the competences for Turkish: Grammar A have been acquired.
