Teaching languages

Spanish, English

Keywords

Translation English - Spanish

Position of the course

This study unit targets mainly Spanish students who want to improve their translation competences English-Spanish. The students learn how to translate English texts over different issues into Spanish.

Contents

In the study unit "Translation English-Spaans" (XTES) the students translate and revise texts from English into Spanish. The course is developed linearly and thematically. The students translate text of general subjects.

Initial competences

C2-level of Spanish or native speaker, and C1-level of English.

Final competences

- 1 Having a command of Spanish at professional native speaker level with close attention to writing skills [B11, assessed]
- 2 Having knowledge and understanding of the intercultural relations and differences, and applying these in the translation of written text [B15 en B31, assessed]
- 3 Recognising and independently interpreting register, text type, and pragmatic features of a text in English [B16, assessed]
- 4 Translating taking distance from the source text and expressing the message, irrespective of the formulation [B16, assessed]
- 5 Having knowledge and understanding in the translation challenges that arise in the translation of English texts into Spanish, with close attention to aspects such

- as vocabulary, grammar, style, and realia [B16, assessed]
- 6 Having knowledge and understanding in the contextual factors that can influence the translation process, with close attention to the translation assignment, the client, skopos [B16, not assessed]
- 7 Having a strong language awareness [B31, assessed]
- 8 Adequately translating English texts into Spanish with close attention to a series of aspects (lexical, grammatical, stylistic, pragmatic, realia, client) [B64, assessed]
- 9 Having knowledge of relevant dictionaries, reference works and electronic aids, using them adequately and efficiently, and critically evaluating them.[B65, not assessed]
