

**Learning materials and price**

Manuals and other learning materials will be made available by the supervisors or can be found in the library. There is no cost for this course.

**References**

The supervisors will assign appropriate literature according to the Field method or methods.

**Course content-related study coaching**

Individual coaching is foreseen for students having problems, and will be on a one to one basis.

**Assessment moments**

continuous assessment

**Examination methods in case of periodic assessment during the first examination period****Examination methods in case of periodic assessment during the second examination period****Examination methods in case of permanent assessment**

Skills test, Participation, Job performance assessment, Assignment

**Possibilities of retake in case of permanent assessment**

examination during the second examination period is possible in modified form

**Calculation of the examination mark**

Continuous evaluation. The student's final grade will be calculated as 60% from a written report and 40% from the student's practical performance during the hours of practical work. An evaluation form will be filled in by each supervisor as a justification of the scores given. Retakes are possible for the written report. However, if the student fails in terms of practical performance, either a new Field methods must be taken or additional hours of work must be carried out.
