Written examination with multiple choice questions, Written examination with open questions

**Examination methods in case of permanent assessment****Possibilities of retake in case of permanent assessment**

not applicable

**Extra information on the examination methods**

The final examination consists of a multiple-choice test open questions-response. The students must demonstrate that they have acquired the basic knowledge presented during the course; with regard to the practical part, the student will be asked to conceptually apply the methods learned in the field to specific case studies.

**Calculation of the examination mark**

The maximum final mark is 30/30. 5 open questions will receive a maximum score of 2 for a total of 10 points. 20 multiple choice questions will count 1 score each for a total of 20.
