Participation, assignment, written assessment

#### Examination methods in case of permanent evaluation

Written assessment, participation, assignment

#### Possibilities of retake in case of permanent evaluation

examination during the second examination period is possible in modified form

#### Extra information on the examination methods

Assessment will be based upon geological map and written report.

If there are special reasons for doing so, an examiner may make an exception from the method of assessment indicated and allow a student to be assessed by another method. An example of special reasons might be a certificate regarding special pedagogical support from the disability coordinator of the university.

This course will involve contribution to 25% of the course costs such as travel and accommodation.

#### Calculation of the examination mark
