### Onderwijstalen

Engels

### Trefwoorden

EU law, EU institutions, Languages and translation in the EU institutions

### Situering

The course aims at providing students of the Postgraduate Certificate "Conference Interpreting" with a solid background in the law, the institutions and the languages of the European Union and a feel of the work-flow at one of the translation services of the EU. Besides the transfer of basic knowledge, the course also aims at helping students gain insight in the specific problems a multilingual legal framework poses and in the importance of the translation process therein.

On the more general level, it will thus underline the relevance of a training in translation. The course is directly complementary with the course on "Society and Institutions of the Low Countries".

COVID19: in 2020-2021 the first (historical) part of the course will be delivered through online recordings.
